**Re: Seasonal Water Right Change Application Nos. CS4-16312(A1)P and CS4-16312(A1)P@1**

Dear Mr. Mackay:

As we discussed over the phone on August 21, 2012, the two seasonal change applications (CS4-16312(A1)P and CS4-16312(A1)P@1) are **rejected**. These two applications proposed changes valid only for the 2011 irrigation season. Ecology, for lack of staff, did not process these applications in time for the 2011 irrigation season. However, as discussed, there is recognition that the water was applied to beneficial use as proposed in the two applications. Any metering data collected for 2011 at the proposed place of use would help substantiate the use and provide a record to be placed in the file. Please submit any metering data collected at the proposed place of use to:
